Re: Spy Phone Labs LLC v. Monapp Calabs Limited et al.
Case No. 7:20-cv-11017-PMH

Dear Judge Halpern:

My firm represents plaintiff Spy Phone Labs LLC. I am writing, with the consent of counsel for defendants, to respectfully request that the pending motion for a preliminary injunction, returnable today, be held in abeyance in light of the parties having reached an agreement in principle to resolve their dispute and this action.

At this point, counsel for the parties reasonably expect to be in position to submit a stipulation of dismissal by the end of the week. If anything changes, counsel will be update the Court promptly.

We appreciate the Court's consideration of this request. Should the Court have any questions or require any additional information, please do not hesitate to contact us.

Respectfully submitted,

/s/ Michael A. Freeman
